Points and fees shall not include the following: (1) taxes, filing fees, recording and other charges and fees paid to or to be paid to a public official for determining the existence of or for perfecting, releasing or satisfying a security interest; and, (2) fees paid to a person other than a lender or to the mortgage broker for the following: fees for flood certification; fees for pest infestation; fees for flood determination; appraisal fees; fees for inspections performed before closing; credit reports; surveys; notary fees; escrow charges so long as not otherwise included under clause (i); title insurance premiums; and fire insurance and flood insurance premiums, if the conditions in sections 1026.4(d)(2) of Title 12 of the Code of Federal Regulations or 209 CMR 32.04(4)(b) of the Code of Massachusetts Regulations, as amended from time to time, are met. For open-end loans, the points and fees shall be calculated by adding the total points and fees known at or before closing, including the maximum prepayment penalties that may be charged or collected under the terms of the loan documents, plus the minimum additional fees the borrower would be required to pay to draw down an amount equal to the total credit line.

OTHER ITEMS TO BE TESTED/CONSIDERED: 209 CMR 32.00

“Benchmark rate”: the interest rate which the borrower can reduce by paying bona fide discount points; this rate shall not exceed the weekly average yield of United States Treasury securities having a maturity of 5 years, on the fifteenth day of the month immediately preceding the month in which the loan is made, plus 4 percentage points.

SPECIAL NOTES: 209 CMR 32.00

(4) Limitations.

Compliance with 12 CFR 1026.32(d) constitutes compliance with 209 CMR 32.32(4); provided, however, prepayment penalties are prohibited without exception; and a Due-on-demand Clause is not prohibited in cases where there is fraud or material misrepresentation by the consumer in connection with the loan that is not induced by the creditor, its employees, or agents; and under circumstances where the consumer fails to meet the repayment terms of the agreement for any outstanding balance and after the consumer has been contacted in writing and afforded a reasonable opportunity to meet the outstanding balance as outlined within the repayment terms of the agreement.

32.34: Prohibited Acts or Practices in Connection with High Cost Mortgages

(1) Prohibited Acts or Practices pursuant to 12 CFR 1026.34 are prohibited under 209 CMR 32.34.

(2) It is an unfair act or practice for a creditor to engage in any of the following for any transaction subject to 209 CMR 32.32:

(a) Packing high cost home loans; that is, the practice of selling credit life, accident and health, disability or unemployment insurance products or unrelated goods or services in conjunction with a high cost home loan without the informed consent of the borrower under circumstances where:

1. the creditor solicits the sale of such insurance, goods or services;
2. the creditor receives direct or indirect compensation for the sale of such insurance, goods or services; and
3. the charges for such insurance, goods or services are prepaid with the proceeds of the loan and financed as part of the principal amount of the loan.

Provided, however, it shall not constitute the practice of "packing" if the creditor, at least three business days before the loan is closed, makes a separate oral and a separate clear and conspicuous written disclosure in at least 12 point type to the borrower containing the following information; the cost of the credit insurance or other goods and services; the fact that the insurance, goods, or services will be prepaid and financed at the interest rate provided for in the loan; and that the purchase of such insurance, goods or services is not required to obtain the mortgage loan; provided further, that insurance premiums shall not be considered financed as part of the loan transaction if insurance premiums are calculated, earned and paid on a monthly or other regular, periodic basis.

In addition, the written disclosure shall contain a signed and dated acknowledgment by the obligor(s) that the oral disclosure was made and a signed and dated acknowledgment by the creditor that the oral disclosure was made. In addition to the disclosures required under 209 CMR 32.34(2)(b), a creditor shall comply with the requirements of 209 CMR 52.02(1) and (3) as well as 209 CMR 52.03 for credit life insurance or credit accident and health insurance.

(b) Advertising. Advertising that refinancing pre existing debt with a high cost home loan will reduce a borrower's aggregate monthly debt payment without also disclosing, if such are likely the case, that the high cost home loan will increase both

1. a borrower's aggregate number of monthly debt payments; and
2. the aggregate amount paid by a borrower over the term of the high cost mortgage loan.

(c) Unconscionable Rates and Terms.

1. Making a high cost home loan with rates or fees that violate 940 CMR 8.06, if applicable, or otherwise charge interest rates or fees in a high cost loan transaction that significantly deviate from industry standards or that are otherwise unconscionable.
2. It shall be the creditor's burden to demonstrate that interest rates or fees charged are based upon generally accepted credit worthiness, sound underwriting and other risk related standards or otherwise conform to 209

CMR 32.34(2)(c)1.

(d) Unreasonable Charges. Making high cost home loans in which the creditor charges and retains fees paid by the borrower

1. for services that are not actually performed, or
2. for which the fees bear no reasonable relationship to the value of the services actually performed, or
3. which are otherwise unconscionable.

(e) Oppressive Mandatory Arbitration Clause or Waiver of Participation in Class Action Suits. Requiring a borrower, without regard to whether a borrower is acting individually or on behalf of others similarly situated, to assert any claim or defense in a forum that is less convenient, more costly, or more dilatory for the resolution of a dispute than a judicial forum established in the Commonwealth where the borrower may otherwise properly bring a claim or defense or limits in any way any claim or defense the borrower may have.

(f) Failure to Report for Credit Histories. Failing to report both the favorable and unfavorable payment history of the borrower to a nationally recognized consumer credit bureau at least annually if the creditor regularly reports information to a credit bureau.

(g) Single premium Credit Insurance. Notwithstanding the provisions of 209 CMR 32.34(2)(a), making a high cost home loan which contains single premium credit insurance, including credit life, debt cancellation, and debt suspension.
